DECISION ACCORDING STATUS
UNDER 37 CFR 1.47(a)

This is a decision on the reconsideration petition under 37 CFR 1.47(a), filed December 17, 2002.

The petition is **GRANTED**.

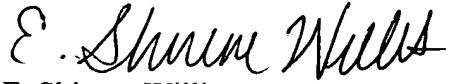

Petitioner has shown that the non-signing inventors cannot be located or refuse to join in the filing of the application. Specifically, the declaration of Melissa Scanzillo and accompanying exhibits establish that joint inventors Bian, Lawrence, and Lebaschi could not be located despite Internet and telephone searches and that joint inventor Roustaei was mailed the application papers, including the specification, claims and drawings, but failed to respond to the request that he sign the declaration. Petitioner has submitted a declaration in compliance with 37 CFR 1.63, 1.64, and 1.175.

This application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventors at their respective addresses given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be forwarded to Technology Center 2800 for examination in due course.

Telephone inquiries should be directed to the undersigned at (703) 308-6712.
